

Meet the Social Worker: Brenda Wade, MSW, CSSW, LCSW-C

I am a proud practitioner educated and trained in the field of social work. I have over 20+ years of experience in the profession in the public and private sectors. Many of my professional experiences have been in secondary schools, working with children and families and supporting teachers and administration.

I look forward to working in the virtual learning program providing support, education, and guidance on issues of critical relevance to the population we serve

My Role:

- Provide principal, teachers, other school staff, children, and their families with information and/or recommendations regarding the individual social and emotional needs of students.
- Interpret to parents and school personnel the services of public and private agencies which may help meet the needs of children.
- Serve as a resource person to faculties, parent-teacher associations, and other school related groups in the areas of mental health and social adjustment.
- Maintain all required documentation, conduct home visits, and perform crisis intervention as required.
- Monitor IEP caseload for attendance concerns and address concerns by engaging student and providing interventions.
- Participate in staff meetings and collaborates with other service providers.
 - Serve on School IEP Team and Student Support Team.
 - Provide individual and group counseling services.
- Provide crisis intervention, home visitation, consultation, and program development services.
